Numbers were back for this month's store sale and the reduction came with less cow and calf units. Weaners were well supplied and there were a few more yearlings offered. Quality was fair to good with some cattle showing the effects of the summer condition. The market held very close to firm with a mostly local buying group.

Light weaner steers sold from \$335 to \$635/head. Medium weights sold to \$920 and heavy weaners reached \$1000/head. Most averaged 270c to 330c/kg. Light weaner heifers sold to \$730/head for light Charolais. Medium weight heifers made from \$450 to \$640 and heavy weights topped at \$785/head. Most averaged 210c to 230c/kg. Steers sold to \$1020 and heifers to \$830/head.

PTIC Angus cows reached \$1300/head. Cows and calves sold to \$1600/unit with most of the better conditioned cows making from \$1200 to \$1400/head.
