Cattle numbers eased and the quality was plainer, with more cattle in lighter condition. Yearlings were best supplied and there was a limited run of prime grown steers and heifers. Approximately 350 cows were offered and not all the usual feeder orders were operating and there was an extra cow buyer. Young cattle to feed and restock sold to cheaper trends, while cattle with weight and condition sold to stronger trends to processors.

Light weaner steers sold to similar prices, from 210c to 284c, while heifers eased 4c to make from 160c to 226c/kg. The lighter feeder steers were close to firm, and the medium and heavy weight feeders eased 10c, selling from 231c to 290c/kg. Medium weight heifers also eased 10c, making from 232c to 270c/kg. Heavy trade cattle gained from 5c to 7c on both steers and heifers, with most making from 275c to 312c/kg.

Grown steers improved 18c, selling to 337c, with the heavy heifers making from 265c to 300c/kg. The 2 score cows to processors were 3c dearer, making from 192c to 236c, with restockers paying to 228c/kg. Heavy 3 and 4 score cows improved from 7c to 8c, selling from 222c to 266c/kg. The best of the heavy bulls sold to 275c/kg.
